Appn. Number 10/032,535 (Shaw, John) GAU 3628 Response to Information Requirement

REMARKS

As set forth in the attached declaration of D. Jarrett Collins, Applicant and Assignee

states that it had no information about, and no knowledge of, the Securities and Exchange

Commission Briefing or the invention described therein prior to February 6, 2007, when it

received a Notice of Withdrawal From Issue of the '535 application.

Counsel for the Applicant spoke with the examiner on February 8, 2007, and was told

that an SEC-related reference precipitated the withdrawal from issue. Counsel for the Applicant

visited the USPTO on February 12, 2007 to obtain a copy of the reference, and only then did

Applicant become aware of the briefing and the invention described therein.

In answer to the second part of the requirement, Applicant's predecessor-in-interest for

the '535 application, Harborside Plus, Inc., offered a trading system and method incorporating

the claimed subject matter under the names "Harborside", "Harborside Plus", "Harborside

Indication Manager", and "HIM". As previously discussed in Harborside Plus, Inc.'s Petition to

Make Special, Applicant believes that Liquidnet, Inc. is currently offering a trading system and

method incorporating the claimed subject matter.

Respectfully,
